

# Powhatan Laymen's League

## Minutes – 9/7/2011

**Attendance:** 11

Buck Canady opened the meeting by asking for prayer requests. Prayer was requested for:

Charles Moss (brain cancer)

Jamie Coats' daughter and son-in-law (daughter's biopsy came back negative)

Jack Dawson (wife died)

Joe Jenkins (wife Rosie's recent test shows that her cancer is growing)

Bunk Cole's daughter Sherry (she has had her last treatment—has to go back to be checked)

Bunk Cole prayed for these requests and for the meeting.

Jamie Coats asked if he could share something with the group. His comments were based on an article that he had read by James Dobson (Focus on the Family) concerning same sex marriage. He stated that this article was available by accessing the Focus on the Family's web site.

### **Old Business:**

Buck stated that he had looked at a bus for sale at Eastern Wrecker Sales. The bus was similar to Powhatan's bus. Eastern stated that they could take our bus on consignment. Buck plans to place the issue of selling our bus on the agenda of the next church business meeting.

A deposit has been made to Hand Andy Carpets for inlaid linoleum for the Old Fellowship Hall.

An additional permit fee was required for the paving of the balance of the church parking lot. True Line Surveying is handling the required surveying and will come up with a proposed landscaping plan to meet the Town of Clayton's requirements.

### **New Business:**

The remainder of the meeting was devoted to finalizing plans for the BBQ chicken cookout on Friday, September 23.

The BBQ sauce has been made with extra amount for sale.

Seven hundred twenty chicken halves will be purchased for cooking. Buck will have the chicken at the church at 6:30 am. The gas grills need to be started by 6 am.

At the end of the meeting the Woman's Auxiliary joined the Laymen's League to review all the plans for supplies, workers, promoting the cook-out, etc.
